## Issues with this resume:

- ❑ Overall resume is too brief and doesn't address the criteria in the advertisement
- ❑ Name needs to be in a larger bold font and address should be left aligned. Should include phone numbers and email
- ❑ Need to tailor the career objective to the job advertisement.
- ❑ Need to describe the duties, responsibilities and achievements of work placement.
- ❑ Need to include more than one referee and state their position and the organisation they work for.
- ❑ Table layout is awkward. Underlined headings are messy and the use of bold/plain text is inconsistent.
